PLENARY 1: LEADERSHIP FOR FUTURE

20TH SEPTEMBER 2022 | TIME: 10:30 AM - 11:30 AM

HIGHLIGHTS

- For a sustainable and inclusive growth, business leaders require right mind sets, technologies, and strategies to overcome the global disruptions.
- To achieve superior financial performances, there is a need to build sustainable business aware of the impacts of climate change on operations, value chains, and society in general.
- Leaders need to keep pace with the changing technology and be agile, adaptive, and bold in thought and action.

Mr. Alan Jope
CEO,
Unilever

FICCI

PLENARY 2: EXCELLENCE IN MANUFACTURING

20TH SEPTEMBER 2022 | TIME: 11:30 AM - 12:15 PM

HIGHLIGHTS

- For India as a nation to set benchmarks in manufacturing, it has to be competitive in cost, service and innovation.
- Big data is critical in enabling sustainable manufacturing processes. Better resource allocation leads to enhanced labour and machine productivity.
- Excellence in manufacturing needs to find balance between contest and cooperation. Tradition, vision, and mission must come together to enable transformation sustainably.

Mr. Wolfgang Tiefensee
Minister For
Economic Affairs,
Science & Digital Society
State of Thuringia, Germany

Mr. Sanjiv Mehta
